Internship providers who participate in the program share their time and talent to give interns meaningful, career-related experiences.

The internship is designed for you take on the roles and responsibilities of a valued member of a company or organization. In turn, your attendance, punctuality, dress, and work ethic should reflect well upon yourself, as well as your parents/guardians, teachers, school, and peers.

Attendance

Students generally do not remain at their internship site after sundown, unless they have permission from the internship provider and a parent/guardian. Students generally complete internship hours during the school week.

Regular attendance and punctuality are critical in this program. You should not miss scheduled days at the internship site and should always arrive on time. If a scheduled day is missed due to a Miami-Dade County Public Schools (M-DCPS) excused absence, as outlined in Board Policy 5200, **you must inform the internship provider in advance and you must both determine an appropriate time to make up the missed hours.** (For example, making up missed hours by attending the internship on any day not regularly scheduled.) All make-up hours must be scheduled with the approval of the internship provider. You must notify the internship provider prior to any absence or late arrival to the internship site. Failure to do so will affect your grade.

You are **not required** to attend a scheduled day at your internship if it falls on a **teacher planning day** or **school holiday**. Please remind your internship provider of these days. However, you may choose to attend your placement on that day if prior arrangements have been made with the internship provider.

In the event of an **extended** illness or absence, you and your internship provider may make alternative arrangements. You **must notify** your school internship coordinator of any changes in schedule and/or proposed internship activities. You are also responsible for ensuring the internship provider always knows where you are while at the internship site.

Experience, knowledge, and course credit(s) are the benefits of the internship program. Time spent at the internship site may not be counted as community service hours, unless special arrangements are made to acquire those hours after the internship credit hours requirement is fulfilled.

Required Course Hours:

- For one (1) honors credit the minimum number of required hours at the internship site is five (5) hours per week or forty-five (45) hours per quarter.
